

**PARNELL CRICKET CLUB INC**  
**FIRST GRADE AVERAGES**  
**1887/88-2010/11**

**CAREER RECORDS**

In the following schedules records for the first grade of Auckland Club Cricket only, are included. The lack of records in the early years for grades below first preclude any possibility of complete averages. Those are also several other factors which have to be taken into account:-

- 1) Only those members who have played more than one season in the first grade are included (With some special exceptions)
- 2) Performances of Eastern under the District Scheme are included.
- 3) Annual reports and averages for the 1898/99, 1899/00, 1913/14, 1916/17, and 1917/18 seasons were not available prior to publication and the performances of players in that period are therefore not complete.
- 4) Where annual reports show only an also batted or 'also bowled' without the relative figures such omission also effects the individual totals.
- 5) Catches taken were not shown in the reports prior to 1919/20 and so it has not been possible to include any totals for the period concerned.
- 6) Catches are unavailable for the Women.
